The World's Best
SWEET PEAS

Summer and Winter
Flowering Spencers

1924

With a Supplementary List
of Desirable Annual Flowers

Charles Elliott

P. O. Box 67

Park Ridge, :: :: Illinois

IN PRESENTING my Fifth Annual List of Sweet Peas, I desire to thank those of my many customers who have made my specialties popular all over the world. The season of 1923 saw my Sweet Peas well ahead of any other firm in the United States and Europe.

Flowers grown from my seeds won the Hutchins Memorial Trophy at Boston and the second prize entry in the same class was also grown from my seeds. The first twelve in both of the great flower shows at Glasgow, Scotland, were from the same source, while innumerable other prizes were awarded to them in Great Britain and in America.

During June 1923, I was favored with the opportunity, through the courtesy of the Women's National Farm and Garden Association to make an exhibit of my flowers at the Art Institute, Chicago. An exhibit which brought unstinted praise from the Press, and the appreciation of a great number of persons who visited the Institute.

This catalog contains a very select list of Early Flowering Spencers, invaluable for flowering under glass in winter, and while they do not compare with the Summer Spencers for outside flowers in summer, are very useful for early flowering.

NOVELTIES 1923-24

BRITISH COLUMBIAN---MAUVE

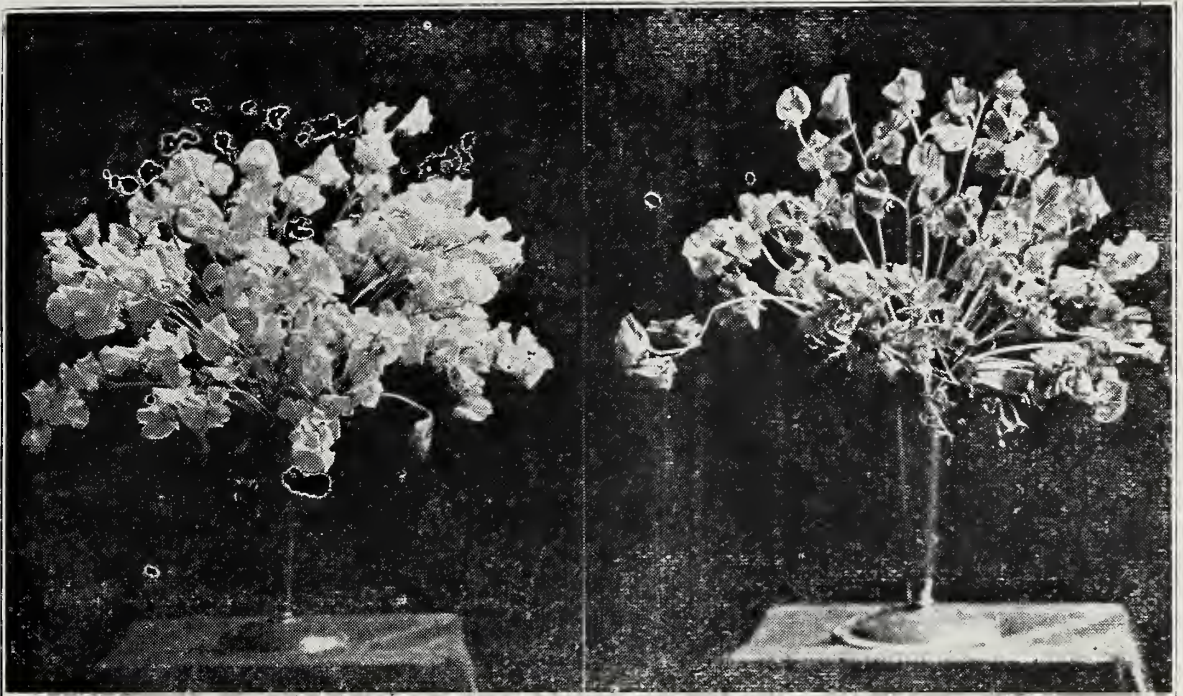

Bigger, brighter and altogether more striking than Shamrock. Very fine grower and first class in every respect. Will become the leader of this section. Packet of 12 seeds 25c.

HIGHLAND MARY

Certificate of Merit Chicago Florist Club, June 1922

One of the finest Sweet Peas ever raised. Very strong growing and freeflowering. The flowers are Pale Rosepink, of largest size, produced in fours perfectly placed on strong stems.

12 seeds 25c

HIGHLAND MARY

SCARLET ADVANCE

As shown at Art Institute Chicago

SCARLET ADVANCE

An extraordinary fine Scarlet, distinct from all others, a shade between Royal Scot and Wonderful, with twice their size and substance, make a very telling vase for exhibition and is a striking garden variety. 10 seeds 35c

PINK CHIEFTAIN

A bright Rosepink of the Unwin type, very strong grower, and sweetly perfumed. 25 seeds 25c.

JUNE BRIDE

Certificate of Merit Chicago Florist Club

PUREST WHITE. Comes early into flower and is a perfuse and consistent bloomer. 35 seeds 25c.

EUROPEAN NOVELTIES

Note: On account of the great heat at the time of inspection of the trials of the National Sweet Pea Society, no awards were made, but the following appear to be worthy of a place among the finest varieties.
